Marriage Scandal, Showbiz Baby!

Marito Ai

Original Text by Shiori Kudo

"There's something about her performance that has intrigued me."

"You should have seen her under that spotlight."

"It was a wonderful performance."

"You'll get someone asking for her autograph after this."

"Let's go."

"No, it's really not a good idea."

"It seems like a minor setback, but she was quite good."

"But Hunter has shown in the past that he's not for me many times."

They haven't recognized me for my acting, like you.

Only as the great Marco. If Anna's girlfriend.

You've also started becoming famous already.

I'll give you the chance you need right now.

If it's what you want, you can use me to get to that level.

I can't reach the level where you are.

But have the ability.

Why?

What else would I call these feelings?

I never knew such.

I would do anything I could to protect her.

I thought you did a very good job.

What did you think?

Thank you.

Congratulations on your findings, Planned.

They love it.

My
friend

I'm
glad to
hear
that

but
I'm not
making you
become
I want your
help

They think
and know the
moment
of trouble
then might
happen

Only
long the
people
I can
trust

"The D'Arceus
Army" They're
known for their
strength

Let me
introduce
you to my
staff

Everyone
before
the great
meeting

I'm
certain
they were
the first
to be
a meeting
after you

My name

I want to
give you
everything
you desire

My name

I want to
give you
everything
you desire

My name

The
clubbers
are going
and isn't
great.

Not
only that,
but you
can't relax
here.

The
clubbers
are
bored.

When I said that
I could have a better
time somewhere, the
whole lot laughed.

You've
made your
dream
come true.

I want
him as
a child
and to
live
with the
school.

Like
this.

Please
to meet
you.
But.

From
now on,
I'll help
you,
as well.

Although
there's
nothing to
be afraid
for
you.

It was that
time when
you
were
in your
performance.

Of course,
as the
Peachtree
village.

The
clubbing
and
dancing
scene.

Substitute
a character
you're ready.

...and I ended so tragically

Manuel

How
you lost
your
mind,
brother!

Our
marriage
was so full
of love and
happi-
ness.

But
then
everything
upside
down?

Could
I ever
you.

Even
though
I could
love
anyone
or more.

You
I have
something
I never
dreamed.

I had
the man,
Manuel.

What
happened
since then

Mama
can't like
this

Can you
stand
that?

Men are
all the same.
They can never
be satisfied with only one woman.

Can you
imagine
it?

When
I heard that he
did it after so
many years,
I laughed
out loud.

And so this
world famous
woman,
Mama
B'Arson!

Mama is
world famous
for her acting.
When

We
and our
sons are
together.

...and he
will tell
us both
for some
other
reason.

You
can hear
I suffered
in my own
nightmare
marriage.

You may
have had
trouble
becoming
a man.

...but you
don't need
to marry him
to return the
favor.

"He's the
exception
to the
rule?"

That's
what all
women
think.

Memo
and
his
my
father

Do
not
be
late

It
can't
happen

I
want
to
be
with
Memo
on
a
vacation
somewhere
of
them.

I'm
working
hard
so
that
we
can
be
reunited

It's
not
like
them,
Memo.

It
feels
like
we
were
only
married
during
our
honeymoon.

Now
we
work
along
our
own,
you
don't
even
have
time
for
us
like.

You
know
I
have
to
be
with
the
work
is
important.

You
have
to
leave
me,
Memo.

Get
to
the
other
side
of
the
phone
again
today?

The
relationship
you
like.

Yes.

Yes.

Mark
my
words.

You'll
come
crying
back
home.

The
marriage
will
fail.

That's how all men act during the filming.

Anyone could tell she was trying to get you as hot as the first dance she got.

There's no way folks would settle for just a hint!

You know that I've smoothed down all those women and men.

If you could see that, then you should know!
I never even needed her to do anything!

It was her that wouldn't leave you alone, right?

Oh, sure!

"A man can never be satisfied with only one woman."

The words keep repeating like a curse.

You're never loved at a love great night!

Stop shouting.

I had dinner with her once, and loved her goodnight.

In because I don't know what she's for.

You decided to love her, right?

Paul?

Paul?

What?

Did you
hear that?

You're
crazy to
be surprised
at a little
revelation.

You talk
a mean, that
comes to the
world more
often, than

A
fact?

Nothing
tells a
man this.

Who did
you think
you were
married to?

And
this place
was taken
during the
only time.

It was
just a
fun.

I didn't
expect to
discover
I'm
working
with him.

Meaning
that you
didn't want
the man
there, right?

You didn't
think about
how I would
feel while you
were so hot
with her?

Because
I'm telling
you what
happened?

If
you can't
believe me,
then don't!

How
do you
expect
me to
believe
that?

Even if
the world
and the man
or if only
you're a
fantasy?

Wouldn't
be able to
handle it
over and
over again

Thank!

Do you
mean
that I was
right?

You
know

I have
to get
away

If I don't
get out here,
there will
be no going
back

There
was such
thing as
a beautiful
man.

You were
living in
a dream!

It really
the way that
you would
work

There's
nothing
I can do

Is that how
these men
see things?

But it's
just as
I said.

It's easy
for wanting
my husband
to be
happy?

He can't
know what
that's like

I still
reach out
to touch him.

Even
now, when
I wake up
alone in the
morning...

A small
piece of us.

It looks so old.
Even a
really small
one.

That?

Jump

Click

Let's go.

Like
I'm your
property.

Like
what?

Don't
look at
me like
that!

It feels like
an long ago
that I sleep
like a baby
surrounded
by the scent

His scent
brings back
memories

What a day.

Looks to me like you're with the best person in the world. I want to be alone with you.

Well, we've made some good progress today.

No matter what anyone says now.

... not to mention.

Where are they tonight?

Your staff is especially talented.

The shoulder's back, if you were going to be a good person.

Thanks to you, I had to give them the slip.

That's all I can do.

We may be separated, but I'll still be with you and be completely about our all communication between us.

Only if you keep being someone.

I could
never
say no
to him

The man
I loved
more than
myself.

I remember
the touch

Those strong
arms and
gentle
heart.

if
only...

It must
have
been

When
did I let
sleep?

the
over
hanging
in the
fog

Was it
a dream?

We ought to know as the father of this child

You don't want help from the husband you're divorcing do you?

Why are you crying Jennifer?

Any calls?

No nothing important.

That's a wrap!

What's that?

That's that!

Found it?

Found it!

Found it?

No. Never mind.

Could take a message?

He's in the middle of a chat.

I'm pregnant.

You don't really want to see him.

There's something I have to tell you about.

We don't need to talk.

Of course, you won't be able to keep from thinking the same.

I think you have a right to know.

Then I'll just say it.

You're right.

Golden's house
you ever tried
to call since
we separated.

Always.
Ever since
we separated.

I thought
that you told
them you
didn't want to
speak to me.

Oh
mom.

From now on
whenever
my wife
calls, let me
know right
away.

Yes.

Yes.

Thank
you.

A
shoutout
for you
mom.

First
priorities
the baby.

Scar

Mom
won't
try to
protect
me.

When
you
call?

Your stuff
are
being
very
slow
to
arrive
today.

What
is
it?

They
never
for me
with
in your
where
look.

I
wonder

Isn't
okay
anymore?

There was
a time when
I wasn't
lonely,
you know.

That
I've never
known
will be
longer!

Did you
think that
I could
survive
without my
world?

You
take
care of
both of us
myself!

You were
already so
successful
when we
met.

It never
even
crossed
my mind.

Maybe
I should
have been
more forward
with both of them.

That
Mitsuo.

I was
proud that
you still
was there
for me that
I was.

It was
foolish, yes,
since
I never told
a message.

But it would
be that hard
possibly
legitimate
you.

I never
thought
you.

It's the only
one when
staying in the
house still.

You have
either with
them on
the subject.

The girl
then we
needed
the man.

Where
going to
visit?

...when
going to visit
your choice
for you?

What?
Yes.

The
smile
wasn't
pretty.

I thought
I would have
to be with
someone
else.

I didn't
know that
you had
started
contact me.

It didn't
even occur
to me that
my staff
wasn't
telling me.

If only we
could start
over from
here...

It's all
just as if
what our
honeymoon.

The scars
from those
wounds are
too deep to
heal right
now.

Even
if the
pain
is not
there.

We want
to keep
slipping past
each other.
Don't we?

The only
way to be
able to trust
me again...

I can't
trust...

It was only
after you stopped
speaking to me,
and moved out.

I want to
be honest
with you.

Just
for

I didn't sleep
with Seria
when you
moved out.

same
day

...maybe
really
come back
to me

the life
with the
man I love
and almost
lost once

If what
he says
is true

...he's
probably a
powerful,
happy man
on the
surface

That's
all I
want for
now

...for
the sake
of their
safety...

maybe

After
I decided
to leave
him

It was
only one
time with
him

...and
not when
I accused
him of it.

That's all
I can do
for now

...Yes

Callan under here!

Don't feel

that is

There is no way she can be pregnant now

Wood

Mokey said that it only happened once after we separated

... Thank
God...

Look
outside
and
check.

They're
all
right.

Your
wife has
been taken
there by
ambulance.

The
collapse
during a
medical
examination.

Master,
it's
the
best
good.

I can't
escape...

From
my own
mistake.

It's
possible
here.

Leave
behind
me.

If
anything
happens
to the
baby...

Unfortunately,
there's no way
I can prove...

No.

...who
was afraid?

"You really
were only
with her
because you"

So
I wasn't
the only
one...

Mmm...

I can't
believe
what
I did.

I thought
that I could
replace
you with
someone
else.

...why
I never
used to go
yourself.

If even
you
knew...

When
you look
into...

I thought
that I wasn't
supposed to
love, after all.

I never
believed
in love
until
I met you.

the country again.

"Yes."

"The man's name
became an inspiration."

"The man's name
became an inspiration."

And
Exchange
will.

and a
day later
you by
that I
haven't
found you.

Don't
think
I can
you.

David &
Marian

...I always
wanted to be
with you.

Don't
worry the
body...

to
think
